LOCAL MATTERS.

—sun rises to-morrow at 5:59; and sets 6:01. High water 4:16 a. m. and 4:21 p. m.

WEATHER PROBABILITIES.—For this morning, clear, with light breeze; Tuesday afternoon, slight change in temperature; a stormy wind, shifting to westerly.

THE ELECTION.—The old saying that "all times make many candidates" does not hold good as far as this city is concerned—so far, at least. In a little over two months the municipal election will be held, and nearly every office in the city is to be filled from mayor down to constable. The election will be held under the new Walton law and under its provisions every candidate must file with the clerk of the Corporation Court a notice of his candidacy at least twenty days before the election. This will cause an early primary to determine who are to be the candidates at the general election, for it would be useless for those who enter the primary and are defeated in such primary to file regular notices of their candidacy with the clerk. The election this year will also be held under the city charter as amended by the last legislature. Under the amended charter the offices of the two tax collectors have been consolidated into one, ditto with the messengers of the city; the offices of superintendent of gas and superintendent of police have been abolished and the position of clerk of the market is no longer a charter office.

For the office of Mayor, as heretofore stated, the candidates are Messrs. L. H. Thompson, J. G. Beckham, W. H. May and W. B. Dobie—Mayor Strauss not being a candidate for re-election. So far Messrs. E. F. Price for auditor, P. F. Gorman for collector of taxes, R. T. Cook for clerk of gas have no opposition. Messrs. James L. Adams and S. Charles Swain are candidates for measurer of lumber. Mr. Wesley Makeley, who for some years has been measurer of wood and bark, will be opposed by Alderman Chas. G. O'rich and Dr. A. F. Cox.

Most of the Aldermen and Councilmen will be candidates for re-election, and for these positions there will be many other candidates in each of the wards.

The above applies to the democratic side of the question. The republicans are certainly quiet, but it is whispered that they are not asleep, but are waiting for the democrats to make their nominations before they determine what they will do. Should the democratic primary fail to bring out a full vote, or should the ticket the democrats nominate be a weak one, from a republican standpoint, it is said the republicans will then put a full ticket in the field, give it their hearty support, and hope to draw votes from the dissatisfied democrats, of which they say the wards are full.

It is the belief, however, among the knowing ones, that the democratic nominations, with the exception possibly of a councilman or so, will be equivalent to an election.

THE ROYAL ARCANUM.—The Grand Council, Royal Arcanum, of Virginia, will convene in annual session on Tuesday, March 26th, in Staunton. The session will be opened promptly at 8 o'clock p. m. The Grand Council is composed of its officers, representatives from subordinate councils. State medical examiner, past grand regents, and life members. Despite the financial depression of the past year, the order considerably increased and its business like system and fidelity to its trusts and objects have secured for it a high confidence and admiration wherever it is known. There are forty-seven subordinate councils in Virginia, with a membership of 4,600. The entire membership of the order is over 160,000. Since the order was organized, June 23, 1877, over \$30,000,000 have been paid out in death benefits. Augusta Council, of Staunton, have arranged for a public entertainment and reception of the Grand Council at the Opera House on Wednesday evening, March 27th, and arrangements are being made for reduced railroad and hotel fare. Alexandria Council, which has a membership of about 275, will be represented by Messrs. George Uhler and R. W. Arnold, and Vice Regent J. J. Jamieson, of this city, will also be present. Mr. Jamieson will, at this meeting, be chosen Grand Regent.

POLICE COURT.—Justice Thompson presiding.—The following cases were disposed of this morning:

A young man, arrested on suspicion of stealing a pistol, was dismissed for want of evidence.

Jefferson Porter and Mary Harris, both colored, arrested by Officers Tiger and Young for being drunk and disorderly, were fined \$2.50 each.

Lemuel Washington, colored, arrested by Officers Tiger and Jones charged with assaulting Maggie Taylor, colored, had his case postponed until seven o'clock to-night.

NIGHT COURT.—Last night was cloudy and mild. Four prisoners and twenty-four lodgers were at the station house.

BROTHERHOOD SERVICES.—The Wednesday night Lenten services at Grace church are specially devoted to the interests of the Brotherhood of St. Andrew. Special preachers have been invited, as announced weekly in the GAZETTE. Since the consolidation of the various chapters in this city and vicinity into a local council, it has been felt that a special sermon of this kind would be most acceptable to the members of the brotherhood and it is hoped as many as possible will attend the services to-night, when Rev. W. C. Davenport, of Anacostia, will preach.

SPRING.—According to scientific calculation grim winter died and gentle spring was born at exactly ten minutes before 6 o'clock yesterday afternoon. There was no marked change in the atmospheric conditions at that time and the many pedestrians who were reveling in the smiles of a May-like sun never realized that such a momentous change was transpiring. Yesterday was a spring-like day, although sharp wind, but to-day the weather has been raw and cold, with a "spit" of snow this evening.

Thomas P. Davis Post, G. A. R., has received from Mr. M. B. Corse a letter of thanks on behalf of himself, brothers and sisters for the sympathetic resolutions adopted by the M. D. Corse, also a similar letter from Lee Camp, Confederate Veterans, of this city.

ST. MARY'S ACADEMY.—A festive entertainment complimentary to Rev. Father Cutler and his assistant, Rev. Father Kenefick, was given by the pupils on the morning of St. Joseph's day, the 19th inst. The following programme was rendered with fine effect: Instrumental duet, Misses J. Lindsey and M. McFadden; Festival Wishes to Our Pastor, Miss M. McFadden; greeting chorus, vocal class; Our Lady's Crown, Miss E. McGahey; exercise in physical culture, Misses D. Lannon, N. Paul, E. Kearney, M. Shuman, E. Grimes, B. Crossan, W. Murtagh, M. Power, G. Padgett, E. McGahey, G. Idensen, T. Schuler, K. Ahern, and J. Lindsey; recitation, "St. Joseph," Miss G. Idensen; instrumental trio, Misses L. Reed, E. Lyles, and M. Wells; Our Lady's Crown, Miss M. Paul; semi-chorus, "Sit Nomen Domini Benedictum," Misses E. Kearney, G. Idensen, E. Rust, E. Lyles, L. Reed, M. Wells, E. Grimes, A. Gorman, and A. McFadden; recitation, "Erin," Miss E. McGahey; instrumental duet, Misses M. Power and G. Idensen. The moves in the physical culture exercise were made with easy grace and in perfect time to the musical accompaniments on the piano, mandolin and violin, by the Misses B. Baggett, A. McFadden, M. McFadden and M. McCarty. Academy hall was resplendent with sweet blossoms, which were tastefully arranged in artistic clusters as if to smile their festive wishes on St. Joseph's distinguished clients. Handsome floral pieces were presented to the reverend guests, notable among those received by the pastor being a harp bearing the inscription "Happy feast." Besides the Rev. Fathers Cutler and Kenefick, the Rev. Father Payne, of Staunton, was in attendance, and the remarks made at the close of the entertainment by these clerical gentlemen were at once complimentary, touching and poetic. Of course the pupils were made happy by a holiday, and all repaired to their homes in the possession of that joy that is always felt by children when they meet the approval of those they venerate and love.

NEW TELEPHONE LINE.—The committee on streets and general laws met last night to consider the proposition to allow the Occoquan-Woodbridge Telephone Company to erect poles and establish an exchange in this city. The committee organized by electing Councilman Krill chairman. Messrs. Wyckoff and Reynolds, representing the telephone company, were present and stated the objects of the company. They said they wished to construct their line as soon as possible; that they would have a 300 phone switch board; would give Alexandria a fine service which would be connected with Washington; that the maximum charge would be \$18 and \$25, and that the city would be furnished with seven telephones, including one at the jail. The committee agreed unanimously to recommend to Council an ordinance granting the company the right to construct its line in this city. The officers of the company are E. Abner, president; J. F. Wyckoff, vice president; J. S. Powell, secretary, and E. Hammill, treasurer—all from Prince William county.

PERSONAL.—Mr. W. H. Mountjoy, who has been sick for over a month, is able to sit again.

Rev. Mr. McAllister, pastor of the Trinity Methodist Episcopal Church, who has been sick for several weeks, is out again. His many friends in this city were glad to read the announcement in yesterday's GAZETTE that he had been reappointed as pastor of Trinity church for another year.

Mr. and Mrs. Charles Shirley are both quite sick at their home on Royal street.

The many friends of Rev. T. E. Carson in this city all regret that at the Methodist conference, which meets in Baltimore next week, he will be transferred to another charge, he having been stationed in this city four years—the limit.

THE RACES.—Notwithstanding the cold, cloudy weather of to-day, the races at St. Asaph were fairly well attended this evening. The first four races resulted as follows:

First race, 1 mile—Tarentum won, Florence second, Peggy O third. Time 53.

Second race, 3 mile—Captain Jack won, Dutch Lady second, Sir James third. Time 1:22.

Third race, 1 mile—Pekin won, Pulitzer second, Lasotta third. Time 1:48.

Fourth race, 3 mile—Wah Jim won, Canvas second, Flying Scud third. Time 1:05.

INTERESTING SERMON.—Rev. Father Payne, of Staunton, preached an interesting sermon at St. Mary's church last night before a large congregation. He took for his subject the sacrifice of the mass, which he compared with the atonement, saying that both were instituted for the same purpose—the redemption of sinners. At the close of his sermon he complimented Father Cutler having erected such a handsome church building, and also the young men of the congregation for their action on Sunday in having assumed the task of raising a sufficient sum of money to have the church painted and frescoed.

WATER AT THE GAS WORKS.—The committee on light and other matters of Council to-day inspected the work of the pump just put in at the gas works. Two fire plugs have also been put in—one at the gas house and one at the electric light house, the pump drawing the water directly from the river. To-day everything worked satisfactorily and a stream of water was thrown over the gasometers. In case of fire at the works now the flames could be easily extinguished with this pump.

INSTALLATION.—Adjutant A. F. Cox, of the Uniform Rank, Knights of Pythias, last night installed the following officers: Sir Knight Lieutenant, C. O. Sipp; Sir Knight Herald, Richard Roland; Sir Knight Recorder, Morgan Boyer; Sir Knight Treasurer, V. C. Moore; Sir Knight Guard, E. W. Armacost; Sir Knight Sentinel, H. Friedlander. The Rank accepted an invitation to attend the Pythian fair in Washington on Thursday night, April fourth.

APPOINTMENTS.—At the recent session of the Virginia conference of the M. E. Church, held at Ronceverte, W. Va., the following appointments were made for Alexandria district for the ensuing conference year: P. E. S. Shipman; Alexandria, W. H. McAllister; Arlington, A. N. Munday; Berryville, B. Chew; Chesapeake, G. W. Stallings; Clementon, W. F. Sheppard; Fairfax, J. B. Gibbons; Falls Church, S. A. Ball; Falmouth, A. K. Louderman; Herndon, C. W. Ball; Hillsboro, J. P. Felner; Manassas, S. P. Eaton; Nokes, to be supplied; Waterford, J. E. Al-jender.

Mr. G. Calouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at E. S. Leadbeater & Sons' Wholesale and Retail Drug Store."
